

To whom it may concern

We have a 25 acre life style block in Katikati which we have subdivided and needed a Fencer to ram posts and fence our boundary lines. We used Darryn from Ground Up Services to do the job and would happily use him again. Over the years we have had the odd little fencing job need doing and some posts rammed for a retaining wall, again we contacted Darryn and it was no problem for him to come out and do these little jobs for us. We have always been very pleased with the work he has done and his level of professionalism and reliability. We would happily recommend Darryn from Ground Up Services to anyone looking for a Fencer.
